Information Databases & Online Resources

Ancestry - Ancestry® Library Edition is one of the most important genealogical collections available today. It has unparalleled coverage of the United States and the United Kingdom, including census, vital, church, court, and immigration records, as well as record collections from Canada and other areas. This collection contains thousands of databases and billions of names. **This Database is available within the library only.**

AudioBookCloud - An online Audio book library collection of streaming audio books. Titles include unabridged high quality audio versions of classics of American and world literature, non-fiction, fiction and children and teen books. We also offer plays and drama, including all cast versions of popular Shakespeare plays.

AUSTRALIAN DICTIONARY OF BIOGRAPHY
ONLINE EDITION

Australian Dictionary of Biography - Australia's pre-eminent Dictionary of National Biography. It includes over 10,000 scholarly biographies of persons who were significant in Australian history.

THE CONVERSATION
From the curious to the serious

The Conversation - Launched in March 2011, The Conversation is an independent source of information, analysis and commentary from the university and research sector – written by acknowledged experts and delivered directly to the public.
