

Exhibition Program 2022

The Glenelg Libraries Exhibition Program offers the opportunity for all members of the community to participate and collaborate, by creating art on a program of themes throughout the year.

Entry forms for each of the exhibitions will be released during the year. If you'd like to be added to the email list to receive entry forms as they are released – please send us a message at library@glenelg.vic.gov.au and request to be added to the Exhibitions mailing list. Or just fill in an entry form when you drop your artwork off at your library at Portland, Heywood or Casterton.
